Marriage (विवाह)

POSITIVE (सकारात्मक)

★★★★☆ 4/5

Vedic: Sun–Jupiter (02 Mar 2027 → 20 Dec 2027) — marriage timing window

KP: 7th Cusp Sub Lord Venus — favorable for marriage timing when Venus dasha/transit activates

Western: Venus in Virgo — partnership style

Marital Bond (वैवाहिक संबंध)

MIXED (मिश्रित)

★★★★☆ 3/5

Vedic: Early 6/10 · long-term 8/10

KP: 7th Sub Venus — patience and supporting transits

Western: Virgo Venus + Leo Moon

Career (करियर)

POSITIVE (सकारात्मक)

★★★★☆ 4/5

Vedic: Astrology + technology business yoga — Sun MD supports brand visibility

KP: KP 10th Sub Mercury — consulting, communication, digital platform

Western: Gemini Rising — public professional image

Wealth (धन)

POSITIVE (सकारात्मक)

★★★★☆ 3/5

Vedic: Life arc: consulting income now → platform/subscription scale in Sun MD → comfortable assets by late 40s–50s with discipline

KP: 2nd Sub Mars · 11th Sub Mars

Western: Mars in Virgo — disciplined accumulation

Key conclusions (मुख्य निष्कर्ष) — three systems:

- Marriage: Sun–Jupiter antar (Mar–Dec 2027) is strongest — finalise the bond in this window. Door opens from Feb 2027.
- Spouse: Venus AK = love is present; if the material-fight pattern changes, 55–65% patch-up odds. Sep–Nov 2026 friction — control anger.
- Fame: Sun MD + Neechbhanga Rajyoga (active from Jan 2025) — niche authority: karma astrologer + The Coded Astrologer + content. Not Bollywood.
- Wealth: Moon in 2nd earns, Rahu in 12th leaks — track money daily. Bank-case settlement likely. Assets build from 2028+. Lab + side income = survive.
- Struggle: about 12–18 more heavy months (into mid-2027), then rebuild — not another 30 years; a new meter begins with Sun MD.

Karma-based Jyotish — planets are teachers, not enemies. No daan/puja/gemstone push; daily behaviour (vyavahar) is the primary remedy. · Vedic (Parashari) + KP (Sub Lord) + Western (Tropical) — cross-verified premium analysis.

00a · Client Q&A Dialogue (क्लाइंट प्रश्नोत्तर)

Your questions, answered with Vedic · KP · Western cross-check — respectful guidance, not fatalism. Prepared by The Coded Astrologer.

Q1 When will I go out of the country? (Foreign travel / settlement)

CONFIDENCE ★★☆☆☆ 3/5

MIXED (मिश्रित)

Vedic: Rahu in the 12th supports foreign, online, and distant themes — but as travel/settlement only when dasha + cash runway agree. Sun Mahadasha with Rahu antardasha (into early 2027) opens foreign-linked opportunity more as work, clients, or short visits than sudden permanent exit.

KP: 12th-cusp / Rahu significators favour foreign connection when sub-periods support; permanent settlement needs 12th + 7th/9th agreement plus practical funds — not wish alone.

Western: 12th-house and outer-planet pressure often show “elsewhere” longing; real relocation still needs career and family logistics lined up.

Guidance: Foreign flavour is real in the chart — especially through online clients, short travel, or work linked abroad — during the current Sun–Rahu chapter (feel strongest Aug 2026 and again around Jan 2027). Permanent out-of-country settlement is Mixed: possible later (2027–29 rebuild window) if income and documents are ready, not as an escape from debt. Treat 2026 as preparation + first foreign-linked fruit, not a sudden passport-and-go story.

Q2 Will there be a second marriage?

CONFIDENCE ★★☆☆☆ 3/5

MIXED (मिश्रित)

Vedic: 7th Sagittarius · lord Jupiter with Ketu in the 6th shows delay, service lessons, and a pause around partnership — not permanent denial. Venus as Atmakaraka keeps love and bond themes alive. Strongest marriage / remarriage / formal settle window: Sun–Jupiter antardasha (Mar–Dec 2027), door opening from Feb 2027.

KP: 7th Sub Rahu — events ripen only when dasha and transit agree; patience and clean paperwork matter more than haste.

Western: Venus style wants security with affection; rushed second vows under money stress usually underperform.

Guidance: The chart does not scream “guaranteed second marriage tomorrow.” It shows a respectful Mixed path: if the present bond cannot be repaired with dignity, a new formal chapter is more realistic from Feb 2027 onward — peaking Mar–Dec 2027 (Jupiter antardasha). First priority remains conscious repair of patterns (ego, money fights, hidden issues). Second marriage is a possibility in that window, not a sensational certainty — and only when emotional and financial maturity are ready.

Q3 Will there be a job change this year (2026)?

CONFIDENCE ★★☆☆☆ 3/5

MIXED (मिश्रित)

Vedic: Neechbhanga Rajyoga (Sun neecha + Saturn exalted in the 5th) activates identity and authority under Sun Mahadasha — more “who I am becoming” than random job hopping. Lab work reads as survival base; brand/content as rising stage.

KP: 10th-cusp significators favour skill continuity; angry exits without runway weaken results in Rahu expense phases.

Western: Career pivots stick when skill + timing align; mid-year identity shifts often precede title changes.

Guidance: A full job-change this year is Mixed — possible as an identity / side-track shift more than a dramatic resignation. August 2026 and January 2027 feel like career turning points (Sun–Rahu). Keep the chemistry lab as runway income through mid-2027 unless a clearly better offer arrives with written terms. The healthier 2026 move: strengthen astrology brand + content while the lab pays bills — then review a formal switch in the 2027 rebuild window.

Q4 When will affection from wife improve?

CONFIDENCE ★★☆☆☆ 3/5

MIXED (मिश्रित)

Vedic: Venus Atmakaraka — love is present in the chart; friction rises when material security fights emotional warmth. Sep–Nov 2026 needs anger control. Daughters (Sun in 5th) are a healing bridge. Long-term harmony can reach a strong level with effort and respect.

KP: 7th Sub Rahu — warmth returns in waves when supporting periods and calm behaviour align; forcing intimacy backfires.

Western: Partnership improves when security talk and affection share the same sentence — not when either is used as a weapon.

Guidance: Affection is not absent — it is blocked by repeating fight patterns. Softening can begin whenever ego and money drama pause; a clearer thaw is more likely after the Sep–Nov 2026 careful months, with a warmer door from Feb 2027 (Sun–Jupiter). Practical karma: one calm sentence that holds both love and a security plan; use the daughters as a bridge of warmth; walk away for 15 minutes instead of exploding. Patch-up odds improve when the pattern changes — chart supports hope without promising overnight fairy tales.

Q5 Where is my luck — chemistry lab, astrology, or YouTube content?

CONFIDENCE ★★★★★ 4/5

POSITIVE (सकारात्मक)

Vedic: Fame and niche authority sit with Sun Mahadasha + Neechbhanga Rajyoga: karma astrologer / The Coded Astrologer / Hindi content / digital tools — not mass celebrity. Moon in 2nd supports consulting and speech income. Lab = survival base, not the peak fruit house.

KP: 10th and 11th channels favour communication, systems, and recognition through skill; 12th Rahu supports online reach if leaks are controlled.

Western: Public image grows through consistent teaching/content identity more than through remaining invisible in a lab role alone.

Guidance: Luck ranking for fruit: (1) Astrology counselling + The Coded Astrologer platform — primary. (2) YouTube / Hindi content — strong support engine for the same brand. (3) Chemistry lab — necessary runway and dignity of work, not the long-term fame lane. Do not abandon the lab in panic; do not bury the brand either. Dual track until mid-2027, then let the astrology–content lane take more stage as income stabilises.

Q6 From when in 2026 does the turning point begin?

CONFIDENCE ★★★★★ 4/5

POSITIVE (सकारात्मक)

Vedic: Sun–Rahu antardasha: first strong feel August 2026; main pivot feel around January 2027. Feb 2027 begins Sun–Jupiter — doors for relationship and brand. Dec 2027–Nov 2028 Sun–Saturn — strongest career fruit later.

KP: Event windows open when significators and sub-periods agree — August 2026 and January 2027 are the marked checkpoints this cycle.

Western: Outer-year identity shifts often cluster in late summer and early new-year markers — matching the dasha story here.

Guidance: First turning-point feel: August 2026 (career identity / notice / intuition confirmation). Main pivot of the chapter: January 2027. From February 2027 the Sun–Jupiter door opens for both personal and brand chapters. So 2026 is not “empty” — it is the ignition year; the fuller turn locks in early 2027.

Q7 How will August, September, and October 2026 go?

CONFIDENCE ★★★★★ 4/5

MIXED (मिश्रित)

Vedic: Aug 2026 — first big career-identity feel (Positive). Sep 2026 — secret/emotion test, habits matter (Challenge). Oct 2026 — name seed for counsellor + app mention (Positive). Careful stretch continues into November for anger/health if ego boasts.

KP: Near-term cuspal support favours visibility in Aug/Oct; Sep asks for discretion and emotional hygiene.

Western: Late-summer push, early-autumn emotional audit, mid-autumn positioning — classic three-step quarter.

Guidance: August 2026: Positive — lean into brand, content, and calm confidence; first “people notice” wave. September 2026: Challenge / Mixed — protect sleep, money tracking, and temper; avoid secret drama and boastful talk. October 2026: Positive — plant the counsellor + app name seed; good month to show work quietly and consistently. Overall Aug–Oct is a staircase, not a straight line — climb with discipline.

Q8 Will anyone help me in life?

CONFIDENCE ★★★★★ 3/5

POSITIVE (सकारात्मक)

Vedic: Father bonding and Sun in 5th / Moon in 2nd show real support threads through family (father, daughters, younger brother, sister). 9th Aquarius favours mentors and unconventional helpers. Rahu 12th can also bring distant/online helpers — if boundaries stay clean.

KP: 11th and 9th significators favour gains through network when you stay consistent; 6th Ketu warns against toxic “helpers” who recreate problem cycles.

Western: Support arrives more through practical allies and community than through one fairy-godparent rescue.

Guidance: Yes — help is indicated, but as partnership and timing, not as someone magically wiping six years of debt overnight. Strongest human pillars: father, daughters, close siblings, and a future app/community circle. Online clients and mentors can appear under Rahu’s 12th flavour. Leave platforms or people that recreate the old Ketu-6th problem loop. Ask for help with clear asks and clean accounts — the chart rewards dignity, not dependency.

Q9 When will I come out of the debt I have faced for 6 years?

CONFIDENCE ★★☆☆☆ 3/5

MIXED (मिश्रित)

Vedic: Venus Mahadasha carried a long debt peak; Sun Mahadasha is the new meter. Rahu 12th = leak risk; Ketu 6th = loan/dispute cycles; Saturn in 5th exalted = slow disciplined clearance. Bank/case settlement energy is more likely than permanent trap. Heavy pressure ~12–18 months more (into mid-2027), then rebuild 2027–28; assets feel more real from 2028+.

KP: 2nd / 11th / 6th chains — relief when earning signifiers strengthen and expense subs calm; negotiated settlement beats endless fight.

Western: Debt exits through structured repayment and income stacking, not through one lucky windfall fantasy.

Guidance: You are already in the exit chapter — not another 30-year sentence. Practical reading: survive and track ruthlessly through mid-2027 (lab + side income ~₹30k roadmap); expect settlement / negotiated relief energy across 2027–28; feel freer on assets from 2028 onward. Daily money tracking is non-negotiable because Rahu in 12th leaks what Moon in 2nd earns. No panic bankruptcy story — action plus patience clears this faster than shame.

oob · Personal Consultation Notes (व्यक्तिगत परामर्श)

Your story — in the chart's language (personal consultation)

Ego · Father · Guru

- Ego was strong earlier, now maturing — Sun neecha mature phase + Saturn exalted discipline
- Father bonding strongest — Sun in 5th + Moon in 2nd; Sun MD = father-theme peak
- Guru conflict — Jupiter in 6th + Ketu; leaving rigid tradition for your own karma path is correct

Debt · Wife · Daughters

- Selling assets / debt — Rahu 12th leak + 8th Saturn + Ketu 6th loan cycle; not permanent if you act
- Wife: love is present; pattern must change — divorce paused; patch-up is karma-driven
- Daughters (Sun 5th) — real treasure; emotional home starts there

30 years · What now?

- 30-year struggle — Mercury+Ketu+Venus 20yr MD; line crossed at 41; Sun MD = new meter
- More struggle: ~12–18 months (mid-2027), medium rebuild 3–4 years — NOT another 30 years
- Support circle: father, daughters, younger brother, sister, future app community

Health · Habits (karma, not shame)

- Health wave — Ketu in 6th + Ashlesha Moon; when someone says you are fine — do not break routine
- Rahu 12th patterns — sleep 5–6 hrs minimum, phone off before sleep, walk/push-ups
- Do not control: Rahu 12th self-sabotage, Ketu 6th problem cycle — one problem at a time

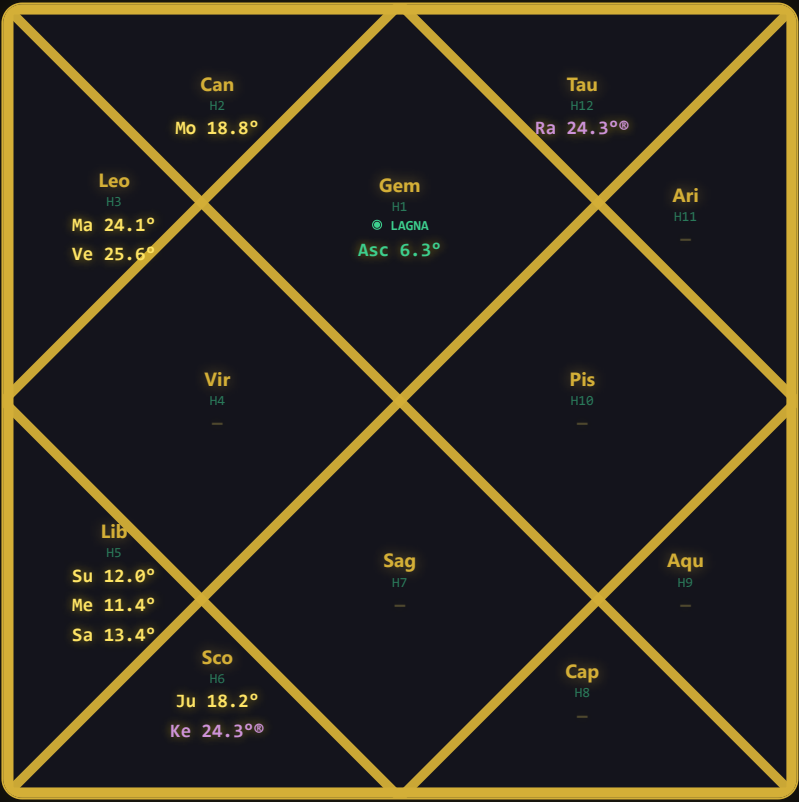

Approach: Karma-based Jyotish — planets are teachers, not enemies. No daan/puja/gemstone push; daily behaviour (vyavahar) is the primary remedy.

o8 · Marriage Timing (विवाह)

Verdict (मुख्य निष्कर्ष): Marriage yoga is strong in 2027 — Jupiter antar. Change the pattern first (ego, money leak, anger) and marriage/patch-up both improve.. Age 42–44 (2027–2029) — primary window; conscious karma supports patch-up or a new bond.

CONFIDENCE ★★★★★ 4/5 **POSITIVE (सकारात्मक)**

Astrological factors (ज्योतिषीय कारण)

- 7th Sagittarius · lord Jupiter — marriage through wisdom/spiritual maturity theme
- Jupiter+Ketu in 6th — delay + service lesson before partnership settles
- KP 7th Sub Rahu — event only when dasha + transit agree; patience
- Sun-Jupiter antar Mar-Dec 2027 — 7th lord Jupiter antar = strongest marriage window

Marriage windows (विवाह योग समय) (Venus Antardasha)

DASHA PERIOD	DATE RANGE	STRENGTH
Sun-Jupiter	02 Mar 2027 → 20 Dec 2027	High
Sun-Venus	12 Feb 2030 → 12 Feb 2031	High
Moon-Moon	12 Feb 2031 → 14 Dec 2031	High
Moon-Jupiter	12 Jan 2034 → 14 May 2035	High
Moon-Venus	13 Dec 2038 → 13 Aug 2040	High

Secondary timing (द्वितीयक समय)

Sun-Venus antar (2030–31) and Moon MD (2031+) — marriage happiness phase if the earlier window is missed

Spouse nature notes (जीवनसाथी स्वभाव):

- Venus Atmakaraka — partner needs both emotional connection and security
- Mars Amatyakaraka in 3rd — passionate communication; avoid ego clash
- D9 Scorpio lagna — depth, privacy, intense bond; not surface-level
- Wife material-vs-love tension — say “love + security plan” in one sentence = karma

Marriage Muhurat Calendar 2026–27 (विवाह मुहूर्त)

Sun-Jupiter Antardasha: 02 Mar 2027, 09:52 pm → 20 Dec 2027, 02:40 am

Muhurat selection tips (मुहूर्त चयन)

- Primary marriage dasha: Sun–Jupiter — choose muhurat inside this antar
- Friday + bright fortnight (Shukla paksha) = strongest marriage day preference
- Transit Jupiter in 1/2/5/7/9/11 and Venus in 1/4/7/10/11 strengthens muhurat
- If Saturn or Rahu transit the 7th, postpone that month or pacify Saturn first
- KP: 7th Sub Lord Rahu — marriage fructifies when Venus/Mercury transit and dasha both agree

Best months: May 2027 (9/10)

09 · Marital Life & Harmony (वैवाहिक जीवन)

D9 Navamsha · Venus · Personal consultation integrated · CONFIDENCE ★★★★★ 3/5

Post-marriage & relationship repair (शादी के बाद संबंध)

- Venus AK — love is present inside; outside, material focus sometimes dominates — visible in chart and life
- Divorce filing happened; father-in-law paused it — chart: 55–65% patch-up if fight pattern changes
- Sep–Nov 2026 careful — Rahu antar friction; anger = 15-min walk, talk tomorrow
- Sister-in-law return: low chance if boundaries hold — Rahu 12th hidden-desire control
- Daughters (Sun 5th) — real emotional home; bridge to wife can also run through daughters
- Long-term 8/10 — effort + respect; D9 depth supports

Summary: Patch-up is possible — but if the same pattern (ego, money, hidden talk) repeats, 15–20% final separation risk. Karma change = chart feels different.

Remedies & Family Summary (उपाय व परिवार)

For the family — plain language

Hitesh — the chart says delay, not denial. Sun MD + 2027 Jupiter antar open both marriage and brand. Clear Rahu in 12th (sleep, money, secrecy) and Ketu in 6th (one problem at a time) — that is the session path. Puja optional; daily karma non-negotiable.

Karma Remedies (कर्म उपाय)

Session approach: Karma-only remedies — no daan / puja / gemstone push

- Lagna — Gemini: Multi-skill life — write 10 minutes daily; one focus per week
- Moon — 2nd Cancer Ashlesha: Serve mother/father; when money arrives, daughters/basics first
- Moon — 2nd Cancer Ashlesha: Do not absorb client pain — pause 3 seconds before speaking
- Sun — 5th Libra (MD): 5 minutes daily for father; 1 hour/week with daughters
- Sun — 5th Libra (MD): App/personal brand = Sun visibility — this is the phase
- Mercury — 5th combust: 30 minutes study daily; write — journal, content, app notes
- Saturn — 5th exalted combust: Think in 10-year arcs, not 10-day results; clear debt one by one
- Mars — 3rd AmK: Anger = 15-min walk; execute more than plan
- Venus — 3rd AK: Wife: love + security plan in one sentence
- Venus — 3rd AK: Creative outlet — writing/content
- Jupiter — 6th: Book + experience = guru; hold client boundaries
- Rahu — 12th (antar): Sleep + money track daily; app = positive Rahu
- Ketu — 6th: Leave toxic platforms — The Coded Astrologer = clear lane

- AK Venus + AmK Mars = "Guide from the heart, build with the hands" — The Coded Astrologer identity
